STRUCTURE AND FOCUS

Engage with the literature, show understanding of the importance of reading, and use of primary texts.

ARGUMENT

Clarity of writing, strong presentation, confidence in the field, and secondary criticism in the field independent of the author's opinion.

RANGE OF KNOWLEDGE

Relevant subject, context, and history of the field, within broader field of study, intellectual balance of general and particular, awareness of change over time, where relevant, and availability of sources.

IMPROVEMENT

One of the main goals of the program is to improve the quality of the student's work.
