Progression Resit FAQs

1. When will I know if I have retakes?

Your module results, stage result and whether you have been offered any resits or sits will appear on the [Module Results section in Sussex Direct](#) on **Monday 8 July 2024 at:**

08:00 for Stage 3 students
10:00 for Stage 2 students
12:00 for Stage 1 students

2. When will the retakes be scheduled?

The Exam Board is able to offer a sit when you have an accepted exceptional circumstances (EC) claim for the assessment. (If you did not make an EC claim but your assessment was affected by your circumstances you may be able to [make an appeal](#) to request a sit.)

6. I have been given a trailed resit. What does this mean?

The exam board has discretion to allow a student to progress to the next stage of study whilst trailing failed modules up to a maximum of 30 credits. If you have trailed credit you will get another retake opportunity in the next summer vacation assessment period. You will not be required to repeat the teaching. A trailed retake may be a sit (for an uncapped mark) or a resit (for a mark capped at 40%).

If you are struggling to understand the modules you have failed and are worried that you won't be able to pass the resits, please contact your Module Convenors or your Academic Advisor and ask for help.

You can also contact the [MAH Student Experience team](#) for support

7. What is compensated credit?

This means that you marginally failed the module (with a mark of 35-39) but due to your general strong performance you have been awarded the credit. You will be offered an optional retake so that you have the opportunity to achieve a pass mark.

8. I have an optional retake: what is this and how do I accept or decline it?

An optional resit gives you the chance to potentially improve your grade. When deciding whether to take an optional retake it's important to note that resits are capped at the pass mark of 40%. If you have an optional sit this will be for an uncapped mark.

You may have received an email from the MAH student experience team to advise you about your optional retakes so do check your email.

You can view information and accept the offer of an optional retake via Sussex Direct.

9. What if I get a lower mark on my retake?

It is possible to get a lower mark on your retake. When you decide whether to accept an optional retake it's important to remember that the mark for your retake will stand, even if it's lower than your initial attempt.

10. What if I want to repeat the year instead of taking retakes? (Year 2 and 3 only)

You can request a repeat year by completing form 8 on the [Student applications page](#).

The deadline to submit this application is **5pm on Monday 22 July 2024**. Sussex Direct Module Results/stage results page will be updated to show the repeat stage by **Monday 29 July 2024**.

Note that you can only appeal a stage result if you have failed more than 30 credits and have not previously repeated this year of study. Full conditions are noted on the form.

11. I have been offered a Repeat Year/ Repeat Term on Sussex Direct. What do I need to do to accept this?

You must contact SSRO within 7 days of the publication of your result to confirm whether or not you wish to accept the offer; please email spa-assessment@sussex.ac.uk from your university email account. If you do not contact us to confirm your decision you will be withdraw from the University.

If you'd like to talk to someone before making your decision please email MAHStudentExperience@sussex.ac.uk.

12. How do I appeal an Exam Board decision?
